Tutoring Experience

For 15 years, I've helped students across various curriculums, including IB, A-Level, and IGCSE, focusing on Economics and Business Studies. My students consistently achieve 6s and 7s on their assignments, particularly in Extended Essays and Internal Assessments. I've worked with learners from Europe and beyond, tailoring my lessons to their needs.

I specialize in providing support for complex topics, ensuring students grasp both theoretical and practical aspects of economics. Many of my students have progressed to top universities, reflecting the quality of guidance I provide, from first drafts to final exam preparations.
